

Request for City Council Committee Action from the Department of Public Works

Date: December 10, 2013

To: Honorable Sandra Colvin Roy, Chair Transportation & Public Works Committee

Subject: **8th St SE Reconstruction Project Layout**

Recommendation:

Approve the attached project layout for the reconstruction of 8th Street SE, from 15th Ave SE easterly to the dead-end.

Previous Directives:

- June 28, 2013 – Authorized City officers to enter into a Cooperative Agreement with the University of Minnesota whereby the University will reimburse the City for design cost for the construction plans to pave 8th St SE, from 15th Ave SE easterly to the dead-end.

Department Information:

Prepared by: Robert J Carlson, PE, Principal Professional Engineer 673-3614

Approved by: _____

Steven A. Kotke, P.E., Director of Public Works

Presenters in Committee: Bob Carlson, PE, Principal Professional Engineer 673-3614

Financial Impact

- No financial impact

Community Impact

- Neighborhood Notification: An information meeting was held on-site summer 2013. All three abutting property owners had representatives present and agree that the street needs reconstruction.

Supporting Information

The University of Minnesota has requested that Public Works repave 8th St SE. This portion of 8th Street is not in the City's five-year capital program and, as such, the University has

offered to fund the cost to reconstruct this street less the dollar amount the City would normally assess the adjacent properties.

The design agreement has been signed per the City Council authorization. Design will begin following Council's approval of the attached project layout.
